

INNOVATIONS AND RELATIONSHIPS IN THE ARBITRAL WORLD

Caracas, March 14 & 15th
Centro Cultural BODCORPBANCA

Who Should Attend: IFCAI brings the expertise of the institutions directly to the public. This is a must attend event for Arbitrators, corporate counsel, legal directors, legal practitioners, businessmen and magistrates and all those who want to keep up to date with the innovations in the field of arbitration.

PROGRAM:

Arbitral proceedings have different actors within each arbitration (Institutions, Parties, Arbitrators, Experts, Third Parties, Funders etc). Does everyone know their role and how it can be used to further arbitral proceedings and maintain them efficient? What contracts exist between them? What is their incidence in cost controls? What is each one's responsibility within the process and after the proceeding

1. How do they interact?

- A. Institutions and Arbitrators
- B. Institutions and Parties
- C. Parties and Arbitrators
- D. Experts

2. Accountability of Institutions and Arbitrators

Just how responsible is everyone involved?

3. Costs

What are they and how can each of the actors help to control them.

4. Third Party Funding

How does third party funding change arbitration? Does it?
